

## 5.3 National Plan for IT and construction IT

### 5.3.1 e-government, IT policy

Infocomm Development Authority (IDA) fulfills the roles in becoming an infocomm industry champion and also the national Infocomm master planner and developer. Being the infocomm master-planner and developer for Singapore, IDA provides the necessary infocomm infrastructure and technology standards, and promotes the adoption of infocomm technology as a key enabler to enhance Singapore's economic competitiveness as well as for innovation in key sectors.

Singapore has launched its 10-year infocomm masterplan, the Intelligent Nation 2015 (iN2015) in June 2006. Intelligent Nation 2015 (iN2015) is Singapore's 10-year masterplan which aims to help us realise the potential of infocomm over the next decade. Led by the Infocomm Development Authority of Singapore (IDA), iN2015 is a multi-agency effort that is the result of private, public and people sector co-creation.
