8th Asia Construction IT Round-Table Meeting, 2012-8-4 Tokyo, Japan “Draft” Meeting Minutes

1. Welcome Message

Prof. Shibasaki, chair of the meeting welcomed the participants.

Mr. Kadomatsu addressed the opening to the participants.

Prof. Yabuki addressed welcome to the participants.

And, all participants introduced themselves briefly.

2. Discussion about the new international conference

Prof. Yabuki proposed International Conference on Civil Engineering Informatics and Asian Group for Civil Engineering Informatics, and chaired the discussion.

The following sections summarize the consensus made during the discussion.

2.1 Frameworks of the new international conference

1) Name of the management organization: Asian Group for Civil Engineering Informatics (AGCEI)

2) Name of the international conference: International Conference on Civil Engineering Informatics (ICCEI)

3) Objective: Prof. Yabuki will send e-mail about the objective to today’s members.
The base is on the articles of the statutes of ISCCBE, and emphasis is put on Asia.

4) Board of Directors: AGCEI

BOD members: JACIC and Prof. Yabuki will recommend the candidates, consulting with initial members, considering the balance of BOD member numbers of each nation. Prof. Yabuki will send email to the participants, BOD members should include not only professors but also industry and government. BOD members should be updated based on the consensus of BOD members.

5) Membership: BOD Members are individual but representing nation or region. AGCEI has no members.

6) BOD Membership Fee: Free.

7) Relationship with ISCCBE: Prof. Yabuki will propose in the next BOD Meetin of ISCCBE that AGCEI would have relationship with ISCCBE like ASCE TCCIT and EG-ICE. And in addition, the logo mark of AGCEI should be printed on the program and in the web site of ICCCB E.

8) Position of JACIC: JACIC should become a special member of the BOD members of AGCEI.

9) Statutes: Draft statutes will be sent to the participants.

2.2 First International Conference on Civil Engineering Informatics

1) Venue: Tokyo

2) Date: November 7-8, 2013. Thursday and Friday.

3) Schedule

Abstract: 2/28 (Review by one scientific committee member per abstract.

Abstract notification of acceptance: 3/31
