

Revise of the Asian Construction IT Data Book

Japan Construction Information Center

Yasushi KAWANAI

1.The Data Book is on the web site of Jacic.

http://www.jacic.or.jp/acit/databook05_e.html

___It is one of the fruit of this Meeting.

2.ACIT Data book is revised every time of the Meeting.

3.Hong Kong's Data are added newly by prof. Heng Li.

4.Now we have 6 countries and regions.

Indonesia's Data are also desired to be in.
